DISCLAIMERS REGARDING THE DEBTORS’ SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

Spherature Investments LLC (“**Spherature**”) and the above captioned debtors and debtors-in-possession (collectively, the “**Debtors**”) have filed their respective Schedules of Assets and Liabilities (“**Schedules**”) and Statements of Financial Affairs (the “**Statements**” and, collectively with the Schedules, the “**Schedules and Statements**”) in the United States Bankruptcy Court for the Eastern District of Texas Sherman Division (the “**Court**”). The Debtors, with the assistance of their legal and financial advisors, prepared the Schedules and Statements in accordance with section 521 of chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”).

While the Debtors’ management has made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information available at the time of preparation, subsequent information or discovery may result

in material changes to these Schedules and Statements, and inadvertent errors, inaccuracies, or omissions may have occurred. Because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that these Schedules and Statements are complete. The Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to claim (as defined in section 101(5) of the Bankruptcy Code, “**Claim**”) description, designation, or Debtor against which the Claim is asserted; dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; subsequently designate any Claim as “disputed,” “contingent,” or “unliquidated;” or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such Claim or amount is not “disputed,” “contingent,” or “unliquidated.” Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or against any of the Debtors. Nothing contained in the Schedules and Statements shall constitute a waiver of any right of the Debtors or an admission with respect to their chapter 11 cases (including, but not limited to, issues involving claims, substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non- bankruptcy laws to recover assets or avoid transfers).

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have made commercially reasonable efforts to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, inadvertent errors or omissions may exist. For the avoidance of doubt, the Debtors hereby reserve their rights to amend and supplement the Schedules and Statements as may be necessary or appropriate.

The Debtors and their agents, attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and will not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law. In no event will the Debtors or their agents, attorneys and/or financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS’ SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

Mr. Erik Toth, Chief Restructuring Officer (“CRO”) of Spherature Investments LLC, has signed each set of the Schedules and Statements. Mr. Toth is an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Toth has necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtors and the Debtors’ legal and financial advisors. Mr. Toth has not (and could not have) personally verified the accuracy of each such statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors.

Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

These *Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs* (the “**Global Notes**”) pertain to, are incorporated by reference in, and comprise an integral part of, all of the Schedules and Statements. The Global Notes should be referred to and considered in connection with any review of the Schedules and Statements. In the event that the Schedules and/or Statements differ from these Global Notes, the Global Notes control.

GLOBAL NOTES AND OVERVIEW OF METHODOLOGY

1. Description of Cases. On December 21, 2020 (the “**Petition Date**”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their property as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On December 30, 2020, the Court entered an order in the lead case, *In re Spherature Investments LLC* [Case No. 20-42492], directing procedural consolidation and joint administration of these chapter 11 cases [Docket No. 45]. Notwithstanding the joint administration of the Debtors’ cases for procedural purposes, each Debtor has filed its own Schedules and Statements. The information provided herein, except as otherwise noted, is reported as of the close of business on the Petition Date.

2. Disclosure. On January 20, 2021, the Debtors filed an *Application for Order Authorizing Debtors to (I) Employ and Retain Larx Advisors Inc. to Provide a Chief Restructuring Officer and Additional Personnel and (II) Designate Erik Toth as the Chief Restructuring Officer as of the Petition Date* [Docket No. 21]. On February 25, 2021, the Court entered an order approving Larx and Mr. Toth to serve as the Debtors’ financial advisor and CRO [Docket No. 148].

Historically, Larx Advisors, Inc. (“**Larx**”), the Debtors’ restructuring financial advisors, and Mr. Toth did not maintain the Debtors’ books and records and only became acquainted with the same prior to the Debtors’ bankruptcy filing. While Larx and Mr. Toth have made every reasonable effort to research, analyze, and where necessary, correct the Debtors’ books and records, additional information may be discovered or corrected that may require amendment of the Schedules and Statements. The information contained in the Schedules and Statements is

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS’ SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

unaudited and neither the Debtors nor Larx or Mr. Toth warrants the accuracy or completeness of the statements contained in the same.

3. Global Notes Control. In the event that the Schedules and Statements differ from these Global Notes, the Global Notes shall control.

4. Basis of Presentation. For financial reporting purposes, prior to the Petition Date, the Debtors prepared financial statements that were consolidated by the Debtors ultimate parent, Spherature. Combining the assets and liabilities set forth in the Schedules and Statements would result in amounts that may be different from financial information that would be prepared on a consolidated basis under Generally Accepted Accounting Principles (“GAAP”). Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors’ books and records and historical financial statements.

Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time prior to the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent at the Petition Date or any time prior to the Petition Date.

5. Reservations and Limitations. While reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements from time to time as is necessary or appropriate. Nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtors’ rights or an admission of any kind with respect to these chapter 11 cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

6. No Admission. Nothing contained in the Schedules and Statements is intended as, or should be construed as, an admission or stipulation of the validity of any claim against the Debtors, any assertion made therein or herein, or a waiver of the Debtors’ rights to dispute any claim or assert any cause of action or defense against any party.

GENERAL DISCLOSURES APPLICABLE TO SCHEDULES AND STATEMENTS

1. **Causes of Action.** Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “**Causes of Action**”) they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

2. **Recharacterization.** The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, the Debtors may have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors’ business. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

3. **Claim Designations.** Any failure to designate a claim in the Schedules and Statements as “contingent,” “unliquidated,” or “disputed” does not constitute an admission by the Debtors that such claim or amount is not “contingent,” “unliquidated,” or “disputed.” The Debtors reserve all of their rights to dispute, or to assert offsets or defenses to, any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as “contingent,” “unliquidated,” or “disputed.” Moreover, the Debtors reserve all of their rights to amend their Schedules and Statements as necessary and appropriate. Listing a claim does not constitute an admission of liability by the Debtors.

4. **Unliquidated Claim Amounts.** Claim amounts that could not be readily quantified by the Debtors are scheduled as “unliquidated.”

5. **Undetermined Amounts.** The description of an amount as “undetermined” is not intended to reflect upon the materiality of such amount.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS’ SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

6. **Court Orders.** Pursuant to certain orders of the Bankruptcy Court entered in the Debtors' chapter 11 cases entered on or about the Petition Date (collectively, the "**First Day Orders**"), the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims of employees, lienholders, suppliers, customer credits/refunds, claimants under section 503(b)(9) of the Bankruptcy Code, and taxing authorities, among others. Accordingly, these liabilities may have been or may be satisfied in accordance with such orders and therefore generally are not listed in the Schedules and Statements. Regardless of whether such claims are listed in the Schedules and Statements, to the extent such claims are paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend or supplement their Schedules and Statements.

7. **Other Paid Claims.** To the extent the Debtors have reached any postpetition settlement with a vendor or other creditor, the terms of such settlement will prevail, supersede amounts listed in the Schedules and Statements, and shall be enforceable by all parties, subject to any necessary Bankruptcy Court approval. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend and supplement the Schedules and Statements and take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.

8. **Valuation.** It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets and, in certain circumstances, estate assets are being currently marketed to effectuate the Debtors' proposed bidding procedures pursuant to the *Debtors' Motion For Entry of an Order (I) Authorizing and Approving: (a) Bid Procedures; (B) Stalking Horse Bidder and Bid Protections; and (C) Form and Manner of Notices; (II) Scheduling Auction and Sale Hearing; (III) Approving the Sale of Substantially All the Assets of the Debtors, Free and Clear of all Liens, Claims, Encumbrances and Interests; (IV) Authorizing the Assumption and Assignment of Executory Contracts and Unexpired Leases; and (V) Granting Related Relief* [Docket No. 92]. For these reasons, the Debtors have indicated in the Schedules and Statements that the values of certain assets and liabilities are undetermined or unknown. Accordingly, unless otherwise indicated, net book values as of December 21, 2020 are reflected on the Schedules and Statements. Exceptions to this include operating cash and certain other assets. Operating cash is presented as the end of day bank balance as of the Petition Date. Certain other assets, such as investments in subsidiaries and other intangible assets, are listed at undetermined amounts, as the net book values may differ materially from fair market values. Amounts ultimately realized may vary from net book value (or whatever value was ascribed) and such variance may be material. Accordingly, the Debtors reserve all of their rights to amend or adjust the value of each asset set forth herein. In addition, the amounts shown for total liabilities exclude items identified as "unknown" or "undetermined," and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements. Also, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

a waiver of any rights of the Debtors with respect to such asset. Given, among other things, the current market valuation of certain assets and the valuation and nature of certain liabilities, nothing in the Schedules and Statements shall be, or shall be deemed to be, an admission that any Debtor was solvent or insolvent as of the Petition Date.

9. Liabilities. The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve the right to amend the Schedules and Statements as they deem appropriate in this regard.

10. Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including without limitation, accrued salaries, employee benefit accruals and accrued accounts payable. In addition and as set forth above, the Debtors may have excluded amounts for which the Debtors have paid or have been granted authority to pay pursuant to a First Day Order or other order that may be entered by the Bankruptcy Court. The Debtors also have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that may be rejected (if any), to the extent such damage claims exist. In addition, certain immaterial assets and liabilities may have been excluded.

11. Confidential or Sensitive Information. There may be instances in which certain information in the Schedules and Statements intentionally has been redacted due to the nature of an agreement between a Debtor and a third party, local restrictions on disclosure, concerns about the confidential or commercially sensitive nature of certain information, or concerns for the privacy of an individual. The alterations will be limited to only what is necessary to protect the Debtor or third party.

12. Duplication. Certain of the Debtors' assets, liabilities, and prepetition payments may properly be disclosed in response to multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.

13. Leases. The Debtors have not included in the Schedules and Statements the future obligations of any capital or operating leases. To the extent that there was an amount outstanding as of the Petition Date, the creditor has been included on Schedule F of the Schedules.

14. Contingent Assets. The Debtors believe that they may possess certain claims and causes of action against various parties. Additionally, the Debtors may possess contingent claims in the form of various avoidance actions they could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtors, despite reasonable efforts, may not have identified and/or set forth all of their causes of action against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions, or causes of action or in any way prejudice or impair the assertion of such claims. Additionally, prior to the Petition Date, each Debtor, as plaintiff, may have commenced various lawsuits in the ordinary course of its business against third parties seeking monetary damages.

15. Intercompany Accounts. The Debtors have historically kept separate books and records by entity in multiple accounting systems. The Debtors regularly engage in business relationships and transactions with each other, including the payment or funding of certain operating expenses. These relationships, payments, and/or funding of expenses are usually, but not always, reflected as intercompany receivables or payables, *see Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue Use of Existing Cash Management System, (B) Maintain Existing Bank Accounts, (C) continue to Perform Intercompany Transactions, (D) Maintain Existing Business Forms; (II) Extending Time to Comply Section 345 of the Bankruptcy Code; and (III) Granting Related Relief* [Docket No. 21] (the "**Cash Management Motion**").

16. Guarantees and Other Secondary Liability Claims. The Debtors have used reasonable efforts to locate and identify guarantees and other secondary liability claims (collectively, "**Guarantees**") in each of their executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. Where such Guarantees have been identified, they have been included in the relevant Schedule H for the Debtor or Debtors affected by such Guarantees. However, certain Guarantees embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements may have been inadvertently omitted. Thus, the Debtors reserve all of their rights to amend the Schedules to the extent that additional Guarantees are identified.

17. Intellectual Property Rights. Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor owner, however, in some instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

18. Executory Contracts. Although the Debtors made diligent efforts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so. Accordingly, the Debtors reserve all of their rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

19. **Liens.** The inventories, property, and equipment listed in the Statements and Schedules are presented without consideration of any asserted mechanics', materialmen, or similar liens that may attach (or have attached) to such inventories, property, and equipment.

20. **Estimates.** To prepare and file the Schedules as close to the Petition Date as possible, management was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities. The Debtors reserve all rights to amend the reported amounts of assets and liability to reflect changes in those estimates or assumptions.

21. **Fiscal Year.** Each Debtor's fiscal year ends on or about December 31st.

22. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

23. **Property and Equipment.** Unless otherwise indicated, owned property and equipment are stated at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third party lessors. Any such leases are set forth in the Schedules and Statements on Schedule G. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to same.

24. **Inventory.** Merchandise inventories value at the lower of cost or market value. The Company writes down inventory considered obsolete based on management's best estimate of the amount of inventory that is subject to obsolescence. Such estimates are subject to change depending on changes in economic conditions and other factors that may affect the ending inventory valuation. Inventories consist of event merchandise, sales aides, and lifestyle products, among others.

25. **Claims of Third-Party Related Entities.** While the Debtors have made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations to same. Therefore, to the extent that the Debtors have classified their estimate of claims of a creditor as disputed, all claims of such creditor's affiliates listed in the Schedules and Statements shall similarly be considered as disputed, whether or not they are designated as such.

26. **Umbrella or Master Agreements.** Contracts listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor that signed the original umbrella or master agreement.

27. **Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances, and

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

28. Setoffs. The Debtors incur certain setoffs and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, intercompany transactions, pricing discrepancies, returns, warranties, and other disputes between the Debtors and their suppliers. These offsets and other similar rights are consistent with the ordinary course of business in the Debtors' industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are excluded from the Schedules.

29. Insiders. In the circumstance where the Schedules and Statements require information regarding "insiders," the Debtors have included information with respect to the individuals who the Debtors believe may be included in the definition of "insider" set forth in section 101(31) of the Bankruptcy Code during the relevant time periods. The listing of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed an admission of any fact, right, claim, or defense and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements has been included for informational purposes only and such information may not be used for: (1) the purposes of determining (a) control of the Debtors; (b) the extent to which any individual exercised management responsibilities or functions; (c) corporate decision-making authority over the Debtors; or (d) whether such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability; or (2) any other purpose.

30. Payments. The financial affairs and business of the Debtors are complex. Prior to the Petition Date, the Debtors maintained a cash management and disbursement system in the ordinary course of their businesses (the "**Cash Management System**"), as described in the Cash Management Motion. Although efforts have been made to attribute open payable amounts to the correct legal entity, the Debtors reserve the right to modify or amend their Schedules and Statements to attribute such payment to a different legal entity, if appropriate.

31. Totals. All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount. To the extent a Debtor is a guarantor of debt held by another Debtor, the amounts reflected in these Schedules are inclusive of each Debtor's guarantor obligations.

32. COVID-19. The Debtors have filed these Schedules and Statements amidst the unprecedented circumstances arising from the global COVID-19 pandemic. Although the Debtors have not (and could not have) assessed the impact of these challenges, such circumstances may impact the Debtors' businesses and the disclosures contained herein.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

SPECIFIC DISCLOSURES WITH RESPECT TO THE DEBTORS' SCHEDULES

1. Specific Notes Regarding Schedule A/B

- (a) Schedule A/B, Parts 1 and 2 – Cash and Cash Equivalents; Deposits and Prepayments.** Details with respect to the Debtors' cash management system and bank accounts are provided in the Cash Management Motion and any orders of the Bankruptcy Court granting the Cash Management Motion [Docket Nos. 21, 54].

Additionally, the Bankruptcy Court, pursuant to the *Interim Order Determining Adequate Assurance of Payment for Future Utility Services and Restraining Utility Companies from Discontinuing, Altering or Refusing Service* [Docket No. 19], authorized the Debtors to provide adequate assurance of payment for future utility services, including an initial deposit in the amount of \$300,000.00. Some of the deposits are not listed on Schedule A/B, Part 2, which has been prepared as of the Petition Date.

The Debtors have disclosed the net book value with respect to accounts receivable listed on Schedule A/B11, which represent the amount of the accounts receivable netted by any "doubtful accounts." For purposes of Schedule A/B11, "doubtful accounts" are those accounts that the Debtors have identified as unlikely to be paid given the amount of time such accounts have been outstanding.

The Debtors are required to make deposits from time to time with various vendors, landlords, and service providers in the ordinary course of business. The Debtors have exercised reasonable efforts to report the current value of any deposits. The Debtors may have inadvertently omitted deposits and conversely may have reported deposits that are no longer outstanding. The Debtors reserve their rights, but are not required, to amend the Schedules and Statements if deposits are incorrectly identified.

- (b) Schedule A/B, Part 4 – Investments; Non-Publicly Traded Stock and Interests in Incorporated and Unincorporated Businesses, including any Interest in an LLC, Partnership, or Joint Venture.** Ownership interests in subsidiaries and affiliates have been listed in Schedule A/B, Part 4 as undetermined. The Debtors make no representation as to the value of their ownership of each subsidiary as the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value.

- (c) Schedule A/B, Part 5 – Inventory.** Unless otherwise stated in a specific Debtor's Schedule A/B, Part 5, book value is presented net of inventory reserves.

- (d) Schedules A/B Part 7 – Office Furnitures, Fixtures, and Equipment; and Collectibles.** The value of certain assets may be included in a fixed asset group or certain assets with a net book value of zero may not be set forth. Dollar amounts are presented net of accumulated depreciation and other adjustments.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

- (e) **Schedule A/B, Part 10 – Intangibles and Intellectual Property.** The Debtors review goodwill and other intangible assets having indefinite lives for impairment annually or when events or changes in circumstances indicate the carrying value of these assets might exceed their current fair values. Results from an impairment test given the Chapter 11 filing were unavailable at the time that the Statements and Schedules were prepared and therefore several of the company's intangible asset values may be listed as undetermined. The Debtors report intellectual property assets as net book value based on the Debtors' books and records whenever applicable. These assets are also part of an ongoing marketing effort and thus are currently being valued in connection with possible sale transactions. For that reason, values are listed as unknown or undetermined where appropriate.

The trademarks listed in this schedule may registered in any or all of the following countries: United States, European Union, Australia, Botswana, Brazil, Brunei, Canada, China, Hong Kong, Iceland, Indonesia, Israel, Jamaica, Kenya, Malaysia, Mexico, New Zealand, Norway, Panama, Philippines, Puerto Rico, Russia, Serbia, Singapore, South Africa, South Korea, Taiwan, Thailand, United Kingdom, and Zimbabwe.

In addition, the Debtors' response includes balances on account of internally developed software.

- (f) **Schedule A/B, Part 11 – All Other Assets.** Dollar amounts are presented net of impairments and other adjustments.

Other Contingent and Unliquidated Claims or Causes of Action of Every Nature, including Counterclaims of the Debtor and Rights to Setoff Claims. In the ordinary course of business, the Debtors may have accrued, or may subsequently accrue, certain rights to counter-claims, cross-claims, setoffs, refunds with their customers and suppliers, or potential warranty claims against their suppliers. Additionally, certain of the Debtors may be party to pending litigation in which the Debtors have asserted, or may assert, claims as a plaintiff or counter-claims and/or cross-claims as a defendant. Because certain of these claims are unknown to the Debtors and not quantifiable as of the Petition Date, they may not be listed on Schedule A/B, Part 11.

The Debtors are reviewing potential claims and causes of actions the Debtors may have against Spherature. The Debtors' review is ongoing and their potential claims are uncertain as of the Petition Date. The identification of potential claims against Spherature and its affiliates does not constitute any admission, conclusion or waiver in any respect, and the Debtors reserve all rights with respect to any potential claims and causes of action.

Interests in Insurance Policies or Annuities. The Debtors maintain a variety of insurance policies including property, general liability, and workers' compensation policies and other employee related policies. A list of the Debtors insurance policies and related information is available in the *Motion For Order (I) Authorizing the*

Debtors to (A) Maintain Existing Insurance Coverage and Existing Insurance Premium Financing Agreements, (B) Satisfy all Prepetition Obligations Related to that Insurance Coverage in the Ordinary Course of Business, and (C) Renew, Supplement, or Enter into New Insurance Coverage in the Ordinary Course of Business, and (II) Granting Related Relief [Docket No. 10]. The Debtors' interest in these types of policies is limited to the amount of the premiums that the Debtors have prepaid, if any, as of December 21, 2020. To the extent the Debtors have made a determination of the amount of prepaid insurance premiums or prefunded claim tails as of December 21, 2020, such amounts are listed on Exhibit A/B, Part 2, Question 8. All policies are expected to remain active.

2. Specific Notes Regarding Schedule D.

Except as otherwise agreed pursuant to a stipulation or as otherwise provided by an order entered by the Bankruptcy Court, the Debtors reserves their right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset of a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim. Moreover, the Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights. Where an administrative agent serves with respect to any prepetition secured debt, only the administrative agent is listed as the creditor on Schedule D and not any other parties who may hold a portion of the debt.

Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. The Debtors reserve all of their rights to amend Schedule D to the extent that the Debtors determine that any claims associated with such agreements should be reported on Schedule D. Nothing herein shall be construed as an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to recharacterize or reclassify such claim or contract.

The claims listed on Schedule D arose or were incurred on various dates; a determination of the date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on Schedule D, however, appear to have arisen or been incurred before the Petition Date.

3. Specific Notes Regarding Schedule E/F.

- (a) **Creditors Holding Priority Unsecured Claims.** The listing of any claim on Schedule E/F does not constitute an admission by the Debtors that such claim or any portion thereof is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve all of their rights to dispute the amount and/or the priority status of any claim on any basis at any time.

While the Debtors' believe they have, or will resolve all of the known, prepetition amounts owed to the various tax and licensing agencies under the authority granted under the tax motion interim order. In an effort to identify, and resolve, any unknown tax or regulatory claims, the Debtors' have listed all of their historical tax and regulatory agencies on schedule E/F as contingent, unliquidated, and disputed. Pursuant to the *Interim Order Authorizing the Debtors to Pay Prepetition Wages and Other Employee-Benefit Claims* [Docket No. 48] (the "**Employee Wage Order**"), the Bankruptcy Court granted the Debtors authority to pay or honor certain prepetition obligations for employee wages, salaries, bonuses and other compensation, reimbursable employee expenses, and employee medical and similar benefits. The Debtors have not listed on Schedule E/F any wage or wage-related obligations for which the Debtors have been granted authority to pay pursuant to the Employee Wage Order or other order that may be entered by the Bankruptcy Court. The Debtors believe that all such claims have been, or will be, satisfied in the ordinary course during their chapter 11 cases pursuant to the authority granted in the Employee Wage Order or other order that may be entered by the Bankruptcy Court.

The listing of any claim on Schedule E/F does not constitute an admission by the Debtor that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtor reserves all of its rights to dispute the amount and the priority status of any claim on any basis at any time. Certain of such claims, however, may be subject to ongoing audits and the Debtor is otherwise unable to determine with certainty the amount of many, if not all, of the remaining claims listed on Schedule E/F. In such case, the Debtor has listed all such claims as unknown in amount, pending final resolution of ongoing audits or other outstanding issues. Further, to the extent such claims have been paid or may be paid pursuant to a court order, they may not be included on Schedule E.

- (b) **Creditors Holding Nonpriority Unsecured Claims.** The Debtors have exercised commercially reasonable efforts to list all general unsecured claims against the Debtors on Schedule E/F based upon the Debtors' existing books and records. As a result of the Debtors' consolidated operations, however, the reader should review Schedule E/F for all Debtors in these cases for a more complete understanding of the unsecured debts of the Debtors.

Schedule E/F does not include certain deferred credits, deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are general estimates of

liabilities and do not represent specific claims as of the Petition Date; however, such amounts are reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date.

Certain creditors listed on Schedule E/F may owe amounts to the Debtors, and, as such, the Debtors may have valid setoff and recoupment rights with respect to such amounts. The amounts listed on Schedule E/F may not reflect any such right of setoff or recoupment, and the Debtors reserve all rights to assert the same and to dispute and challenge any setoff and/or recoupment rights that may be asserted against the Debtors by a creditor. Additionally, certain creditors may assert mechanic's, materialman's, or other, similar liens against the Debtors for amounts listed on Schedule E/F. The Debtors reserve their rights to dispute and challenge the validity, perfection, and immunity from avoidance of any lien purported to be perfected by a creditor listed on Schedule E/F of any Debtor. In addition, certain Claims listed on Schedule E/F (Part 2) may be entitled to priority under section 503(b)(9) of the Bankruptcy Code.

The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Determining the date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule E/F.

Schedule E/F contains information regarding potential and pending litigation involving the Debtors. In certain instances, the Debtor that is the subject of the litigation is unclear or undetermined. To the extent that litigation involving a particular Debtor has been identified, however, such information is contained in the Schedule for that Debtor.

Schedule E/F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of an executory contract or unexpired lease. In addition, Schedule E/F does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist. Except in certain limited circumstances, the Debtors have not scheduled contingent and unliquidated liabilities related to guaranty obligations on Schedule E/F. Such guaranties are, instead, listed on Schedule H.

The Claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserves all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert Claims objections and/or setoffs with respect to the same.

The aggregate net intercompany payable amounts listed in Schedule E/F may or may not result in allowed or enforceable Claims by or against a given Debtor, and listing these payables is not an admission on the part of the Debtors that the intercompany Claims are enforceable or collectable. The intercompany payables also may be subject to recoupment, netting, or other adjustments made pursuant to intercompany policies and arrangements not reflected in the Schedules.

As noted, the Bankruptcy Court has authorized the Debtors to pay, in their discretion, certain unsecured prepetition Claims, pursuant to the First Day Orders. To the extent practicable, each Debtor's Schedule E/F is intended to reflect the balance as of the Petition Date, adjusted for postpetition payments of some or all of the Bankruptcy Court-approved payments. Each Debtor's Schedule E/F will reflect some of the Debtor's payments of certain Claims pursuant to the First Day Orders, and, to the extent an unsecured Claim has been paid or may be paid, it is possible such Claim is not included on Schedule E/F. Certain Debtors may pay additional Claims listed on Schedule E/F during these chapter 11 cases pursuant to these and other orders of the Bankruptcy Court and the Debtors reserve all of their rights to update Schedule E/F to reflect such payments or to modify the claims register to account for the satisfaction of such Claim. Additionally, Schedule E/F does not include potential rejection damage Claims, if any, of the counterparties to executory contracts and unexpired leases that have been, or may be, rejected.

Executory Contracts and Unexpired Leases are listed on Schedule G.

4. Specific Notes Regarding Schedule G.

- (a) Executory Contracts and Unexpired Leases.** While the Debtors' existing books, records, and financial systems have been relied upon to identify and schedule executory contracts at each of the Debtors, and although commercially reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or over inclusions may have occurred. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule G. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G and to amend or supplement Schedule G as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument or

other document is listed thereon.

In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider. In the ordinary course of business, the Debtors may have issued numerous purchase orders for supplies, product, and related items which, to the extent that such purchase orders constitute executory contracts, are not listed individually on Schedule G. To the extent that goods were delivered under purchase orders prior to the Petition Date, vendors' claims with respect to such delivered goods are included on Schedule E/F.

As a general matter, certain of the Debtors' executory contracts and unexpired leases could be included in more than one category. In those instances, one category has been chosen to avoid duplication. Further, the designation of a category is not meant to be wholly inclusive or descriptive of the entirety of the rights or obligations represented by such contract.

Certain of the executory contracts and unexpired leases listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, right to lease additional space, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of business, such as easements, subordination, non-disturbance and attornment agreements, supplemental agreements, rights of way, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G.

The Debtors hereby reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor's claim, to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G, and to amend or supplement Schedule G as necessary. Inclusion of any agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease and the Debtors reserve all rights in that regard, including, without limitation, that any agreement is not executory, has expired pursuant to its terms, or was terminated prepetition.

In the ordinary course of business, the Debtors have entered into numerous contracts or agreements, both written and oral, regarding the provision of certain services on a month to month basis. To the extent such contracts or agreements constitute executory contracts, these contracts and agreements are not listed individually on Schedule G.

Certain of the executory contracts may not have been memorialized and could be subject to dispute; executory agreements that are oral in nature have not been included

in Schedule G.

In the ordinary course of business, the Debtors may have entered into confidentiality agreements which, to the extent that such confidentiality agreements constitute executory contracts, are not listed individually on Schedule G.

Certain of the executory contracts and unexpired leases listed in Schedule G were assigned to, assumed by, or otherwise transferred to certain of the Debtors in connection with, among other things, acquisitions by the Debtors.

The Debtors generally have not included on Schedule G any insurance policies, the premiums for which have been prepaid. The Debtors submit that prepaid insurance policies are not executory contracts pursuant to section 365 of the Bankruptcy Code because no further payment or other material performance is required by the Debtors. Nonetheless, the Debtors recognize that in order to enjoy the benefits of continued coverage for certain claims under these policies, the Debtors may have to comply with certain non-monetary obligations, such as the provision of notice of claims and cooperation with insurers. In the event that the Bankruptcy Court were to ever determine that any such prepaid insurance policies are executory contracts, the Debtors reserve all of their rights to amend Schedule G to include such policies, as appropriate.

In addition, Schedule G does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims exist.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or leases are not impaired by the omission.

Certain of the agreements listed on Schedule G may have been entered into by or on behalf of more than one of the Debtors. Additionally, the specific Debtor obligor(s) to certain of the agreements could not be specifically ascertained in every circumstance. In such cases, the Debtors have made reasonable efforts to identify the correct Debtors' Schedule G on which to list the agreement and, where a contract party remained uncertain, such agreements may have been listed on a different Debtor's Schedule G. The listing of any contract or lease on Schedule G does not constitute an admission by the Debtor as to the validity of any such contract or lease or an admission that such contract or lease is an executory contract or unexpired lease. The Debtor reserves all of its rights to dispute the effectiveness of any such contract or lease listed on Schedule G or to amend Schedule G at any time to remove any contract or lease.

5. Specific Notes Regarding Schedule H.

(a) Co-Debtors. In conjunction with the Note and Warrant Purchase Agreement dated

November 3, 2017, and subsequently amended, the co-debtors pledged their federal income tax refund for 2016 and any prior years as collateral security interest.

SPECIFIC STATEMENTS DISCLOSURES

- (a) **Question 1 – Gross Revenue.** The amounts listed in Statement 1 reflect the revenue for the fiscal years 2018, 2019 and the year to date portion of fiscal year 2020 of each Debtor as such amount is calculated in the Debtor’s records.
- (b) **Questions 3, 4, and 30 – Payments to Certain Creditors.** The Debtors have responded to Question 3 in detailed format by creditor. The response, however, does not include transfers to bankruptcy professionals (which transfers appear in response to Part 6, Question 11) or ordinary course compensation of individuals through salaries, wages, or related allowances.
- The Debtors have responded to Questions 4 and 30 in detailed format by insider in the attachment for Question 4. To the extent: (i) a person qualified as an “insider” in the year prior to the Petition Date, but later resigned their insider status or (ii) did not begin the year as an insider, but later became an insider, the Debtors have only listed in Question 4 those payments made while such person was defined as an insider.
- (c) **Questions 6 – Setoffs.** For a discussion of setoffs and nettings incurred by the Debtors, refer to paragraph 28 of these Global Notes.
- (d) **Question 7 – Legal Actions.** Information provided in Statement 7 includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial or other adjudicative forum. In the Debtors’ attempt to provide full disclosure, to the extent a legal dispute or administrative proceeding is not formally recognized by an administrative, judicial or other adjudicative forum due to certain procedural conditions that counterparties have yet to satisfy, the Debtor has identified such matters on Schedule E/F, Part 2 for the applicable Debtor. Additionally, any information contained in Statement 7 shall not be a binding representation of the Debtors’ liabilities with respect to any of the suits and proceedings identified therein.
- (e) **Question 11 – Payments Made Related to Bankruptcy.** The response to Question 11 identifies the Debtor that made a payment in respect of professionals the Debtors have retained or will seek to retain under section 327 and section 363 of the Bankruptcy Code. Additional information regarding the Debtors’ retention of professional service firms is more fully described in the individual retention applications, motions, and related orders. Although the Debtors have made reasonable efforts to distinguish between payments made for professional services related and unrelated to their restructuring efforts, some amounts listed in response to Question 11 may include payments for professional services unrelated to bankruptcy.
- (f) **Question 13 – Other Transfers.** Excluding laptops given to terminated employees, the

remainder represents cash that was paid against a \$12 million loan agreement dated March 2, 2018, which includes an aircraft services agreement totaling \$3.5 million.

- (g) Question 16 – Personally Identifiable Information.** In the ordinary course of the Debtors’ businesses, certain of the Debtors collect and retain certain personally identifiable information of their customers, including, but not limited to, names, addresses, email addresses, and certain payment information. Such information is subject to the Debtors’ privacy policy regarding personally identifiable information.
- (h) Question 25 – Other Businesses in which the Debtors Have an Interest.** These are the non-debtor entities, comprised of wholly owned legal entities operating as branches, offices, and subsidiaries across the world, collectively operating as WorldVentures.
- (i) Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders.** Distributions by the Debtors to their directors and officers are listed on the attachment to Question 4. Certain directors and executive officers of Spherature are also directors and executive officers of certain of the other Debtors and non-Debtor affiliates. To the extent payments to such individuals are not listed in the response to Question 4 on the Statements for such Debtor affiliates, they did not receive payment for their services as directors or officers directly from such entities. Certain of the Debtors’ directors and executive officers received distributions net of tax withholdings in the year preceding the Petition Date. The amounts listed under Question 4 reflect the gross amounts paid to such directors and officers rather than the net amounts after deducting for tax withholdings.

SPECIFIC DISCLOSURES ON AMENDMENTS

- 1. Specific Notes Regarding Amended A/B Schedules.** The Debtors have added and changed certain information in their amended A/B Schedules that is intended to supplement the information already provided in their originally filed Schedules and Statements.
- 2. Specific Notes Regarding Amended D Schedules.** The Debtors have added and changed certain information in their amended D Schedules that is intended to supplement the information already provided in their originally filed Schedules and Statements.
- 3. Specific Notes Regarding Amended E/F Schedules.** The Debtors have added and changed certain information in their amended E/F Schedules that is intended to supplement the information already provided in their originally filed Schedules and Statements.
- 4. Specific Notes Regarding Amended G Schedules.** The Debtors have added and changed certain information in their amended G Schedules that is intended to supplement the information already provided in their originally filed Schedules and Statements.

Schedule A/B: Assets – Real and Personal Property 12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on Schedule G: Executory Contracts and Unexpired Leases (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
